Thos. Hill, President Antioch College.

Thos. Hill, President Antioch College.

G. W. H. CATRCART, Prof. Mathematics, High 8. C. CRUMBAUGH, Prof. Language, High School B. M. BARRER, Sup't Union Schools, Ashland. More than Six Hundred other Presidents of Colleges, Professors, Authors and Distinguished Educators, have endorsed the above sentiment.

PRESIDENTS OF COLLEGES IN OHIO. Maxistra College.—"It is truly a magnificent work, in henor to the author, the publishers, and the whole ountry."—President Andrews.

Onto WESLEYAN UNIVERSITY..." It exceeds my expecta-ions. It will be my guide in orthography and pronun-iation, and will often be consulted by me for its neat and accurate definitions."—President Thompson. W. R. Ectaoric Collages.—"Heretofore we have used Webster's orthography. At a recent meeting of our Faculty, it was decided to change it to conform to that of Worcester's Royal Quarto Dictionary."—President Garfield.

WESTERN RESERVE COLLEGE.—"I find it worthy of cordial approbation."—President Hitchcock.

ORIGINE COLLEGE.—"It more than meets my expectations. I recummend it as the standard authority in orthopy to my children and my pupils."—President Marson. ANTICES COLLEGE.—"I adopt and aim to use in teaching, writing and speaking, the orthography and pronunciation of Worcester's Royal Quarto Dictionary."—President Hill.

President Hill.

"In all my writing, speaking, and teaching, I have en leavered to conform to the rules for orthography and pronunciation as contained in Worcester's Dictionary."—Horace Mann, late President.

KENYOR COLLEGE, GAMBIER.—"I most cordially recom-mond it as the most reliable standard authority of the English language as it is now written and spoken."— President Andrews. SCHOOL COMMISSIONERS OF OHIO.

Bohools in Ohio. "The Dictionary is an imperishable monument to the learning and industry of its author, and an hone; to the world of letters. The mechanical execution is far supe-rior to that of any other Lexicon with which I am ac-From Hon. H. H. Barney, Es Commissioner of Schools in Ohio.

Leading Newspapers of Ohio Say From the Cleveland Herald of March 28. The orthography of the Worcester Dictionary is that used by most, if not all, authors of distinction in this country and England, and conforms to the general usage of ordinary writers and speakers.

Whatever prejudices may have existed previously, a careful study of this volume will invariably be followed by a warm appreciation of its great merits, and a desire to add it to the well selected library, be it large or small, It is allorary in itself, and will remain an imperiahable record of the learning of its compiler.

From the Cincinnati Commercial of April 20.

From the Cincinnati Commercial of April 20. Here are upwards of a hundred thousand words—and and indifferent—whose multifarious meanings erivations, together with their correct spelling and unciation, are set clearly before the eye. The worn necessionably the greatest Thesaurus of English Worse unblished.

From the Cleveland Plaindealer of Sept. 20, 1800. Evidently Woncester's Royal Quarto Diorianan fa-not only the last, but the mer work of the kind over to-sized, and can by no possibility suffer by comparison or unitoversy.

As to PRONUNCIATION, WORCEPTER IN THE STANDARD followed by our best authors; in definitions he leaves nothing to be desired, and in ORTHOGRAPH It is sufficient to say that WORCEPTER can be safely followed. INGHAM & BRAGG, Publishers, Booksellers & Stationers,

Notwithstanding the cleaginous supplies derivable now from sources not long ago unknown in the oil market, whaling has not yet lost its value so far as to render uninteresting such interesting such interesting

The conversion of lard into oil and stearine—the distillation of oil as well as gas from coal—and more recently the discovery of immense oil deposits in the earth—together with the scarcity of whales in localities where they were formerly abundant (the whale, like the buffalo, retreating from the places where they buffalo, retreating from the places where they have long been hunted)—have each had influence in diminishing the importance of the whalence in diminishing the i ing business, but that business is nevertheless his mouth, and then stuffed his handkerchief likely long to continue a great source of supply carefully in the hole in his forehead made by in the oil trade, as well as valuable for whale-bone. The whale, cod and other fisheries have bone. The whate, cod and other haderes have long been a valuable school for our American of his comrade. "No, Shorty," answered the other, bursting pecuniary benefit to the hardy New Englanders into tears, you never had any to hang out." who chiefly prosecute them, that they may long

of the operations of the whaling fleet in the Arctic regions, about Cumberland Inlet, etc., but the ships Syren Queen and Northern Light, which arrived at New Bedford on the 11th inst., from the place called Rowe's Welcome, Hudson's Bay, about lat 65 N. and long 90 W, bring cheering news of the discovery of a new Sahing ground, abounding with whales, in the Sahing ground, abounding with whales, in the fishing ground, abounding with whales, in the region of Chesterfield Inlet, about one thousand five hundred miles west of Cumberland Island. This new whale field is not known to have been ever before "improved" by any whalers, European or American. No ships are known to have been wisited that point since the expedition of Parry visited that point since the expedition of the expedi visited that point since the expedition of Parry and Lyon about forty years ago-1822. Some enterprising oil merchants, reflecting on the Eccentric Hospitality. statements of those navigators concerning the abundance of whales, fitted out the two ships above mentioned; and the result justifies their enterprise in proving the truth of Parry's state-ment that "whales might be seen every day in the open season"-though, owing to the prevalence of scurvy among their crows, and other causes, those vessels did not bring home full

By the next season a considerable fleet will doubtless gather in those waters. The good effect which this discovery will doubtless have pon the whaling business is a matter of congratulation, as tending to revive an important trade and to open again one of our national schools.—N. Y. World.

[From the Pittsburgh (Pa.) Chronicle.] Curious Law Case in Pittsburgh. A case of considerable interest was tried in the District Court the latter part of last week. It was an action of ejectment brought by the heirs at law of Thomas Wallace, deceased, against R. McDonald and Ruth, his wife, to recover about seventeen acres of ground, situated

Guthrie, said that he had dreamed that a beautiful girl had come and lifted off the top of his head and carried it away! He persisted in declaring to the minister that such was really the case. To others he declared that one side of his head was gone, and that one of his eyes had dropped out; that his blood was dried up and his brains were rotten, and that he had not slept for three months! Although he had been a religious man, and attended church for a period of nearly sixty years, it was sworn he had ceased to go to church, and was troubled with the idea that he would be lost. He was also much concerned because he believed that he should become a panper and an outcast. On the 29th of December, 1859, about three months after of December, 1859, about three months after the execution of the deed, the unfortunate old me a free home.

man committed suicide by banging himself in a piece of woods near his dwelling.
. On the part of the defendants it was shown that Thomas Wallace was a bachelor, living with two old maiden sisters and a bachelor they are not amply represented among the field brother; that Ruth McDonaid, the person to officers in the war. There is (acting) Major-whom the deed was made, had been raised in General William F. Smith, of Vermont, com-

ed for him so faithfully and deserved the propyesterday the jury returned a verdict for the de-fendant. Ruth, therefore, holds the bequest.

A Curl Cut off with an Ax.

man to me. "Yes, but what of it? It is, I suppose, the curl from the head of a dear child long since gone to God." "It is not. It is a lock of my own hair; and it is now nearly seventy years since it was cut from this head."

"But why do you prize a lock of your hair so

"Hut why do you prize a lock of your hair so much?"
"It has a story belonging to it, and a strage one. I keep it thus with care because it speaks to me more of God and of his special care than anything else I possess.

"I was a little child of four years old, with long, curly locks, which, in sun, or vain, or wind, hung down my cheeks uncovered. One day my father went into the woods to cut up a little way behind him, or rather at his side a present in the strokes of the heavy at, as it went up and came down upon the wood, sending off splinters with every stocke, in all directions. Some of the splinters fell at my leet, and I exgerly stooped to pick them up. I doing so I stumbled forward, and in a moment my curly head lay upon the log. I had fallen just at the moment when the ax was coming down with all its force, It was too late to stop the blow. Down came the ax. I screament, he had killed his boy. We soon recovered; I from my fright, and he from his terror. He could not stay the stroke, and in the blinding he well worth the while of 'the authorities' to stop the blow. Down came the ax. I screamed, and my fright, and he from his terror. He could not stay the stroke, and in the blinding of the could not stay the stroke. And in the blinding of the could not stay the stroke. And in the blinding of the could not stay the stroke. And in the blinding of the could not stay the stroke. The first my lees the could not stay the stroke. And in the blinding of the could not stay the stroke. And in the blinding of the could not stay the stroke, and in the blinding of the could not stay the stroke. And while the head killed his boy. We soon recovered; I from my fright, and he from his terror. He could not stay the stroke. And while of 'the combining of all the French, among the head to loot, to find out the deadly wound which he was sure he bad inflicted. Not a drop the look and the look and the little was an adole to the look and the on the grass and gave thanks to a gracious

An Original Zouave Latter.—The following is worthy the pen of the original Doesticks, and is a pretty good "take off" on telegraphic reports of war news, both North and South:

I've just returned from witnessing one of the most mouroful eights that ever made a man feel as though he had been peeling onlons all the week and grating horse radiah on Sundsy.

Am Original Zouave Latter.—The following substitute is a freedmond, to send back every bail which may hereafter be forwarded.

The Ohio Statesman

It was the dying scene of one of the Pet Lamme's down at Alexandria, and as one of Five's chaps remarked, it was enough to make the eye of a darning needle weep. Jim was the name of the sufferer—if he ever had any other it had slipped his memory—though his affectionate relatives sometimes called him "Shorty." He was ont on picket guard when the Southern Confederacy attempted to pass him. He challenged the intruder, and called to his comrades for help, but before the latter arrived, the Southern Confederacy drew a

The conversion of lard into oil and stearing unusued by Sherman's artillers.

who chiefly prosecute them, that they may long continue so.

The whating merchants of New Bedford, New London, Nantucket, Gioucester, and other towns interested in the trade, had of late become much disheartened by unfavorable results of the operations of the whaling fleet in the Arctic regions, about Cumberland Inlet, etc.

Eccentric Hospitality.

During the American war of 1812, a soldier who had been wounded and honorably discharged, being destitute and benighted, knocked a the door of an Irish farmer, when the follow

ing dialogue ensued: Patrick—And who the devil are you, now? Soldier—My name is Mr. John Wilson. P—And where the devil are you going from.

S-From the American army at Erie, sir. P-And what do you want here? S-Will you permit me to spread my blanke your floor and sleep there to-night? P—Devil take me if I do, John Wilson. -On your kitchen floor, sir?

P-Not I, by the Hill o' Howth. S-In your stable, then? P-I will be hanged if I do that, aither. S-I'm dying with hunger. Give me a bone and a crust; I will ask no more. P-Divil blow me if I do, sir.

S-Give me some water to quench my thirst, I beg of you P—Beg and be hanged; I'll do no such thing.
S-Sir, I have been fighting to secure the

Trains Leave Columbus as follows:

MORNING EXPRESS

Leaves Columbus 3.30 A. M. from Union Depot. via Bellairs or Steubenville: arrives at Bellairs, 10.20 A. M.; Steubenville: arrives at Bellairs, 10.20 A. M.; Steubenville: 12.20 P. M.; Pittsburgh, 3.40 P. M.; Harrisburgh, 1.10 A. M.; via Allantown, arrives at New York, 8.00 A. M.; via Philladelphia, arrives at Philadelphia, arrives at Philadelphia, arrives at Philadelphia, 5.10 A. M.; New York, 10.30 A. M. Connects also at Harrisburg for Baltimore, arrivings 17.45 A. M., and incapable of transacting any business—Upon this point the case was warmly contested. The plaintiffs sought to invalidate the deed, on the ground that it was executed and delivered to defendants by Thomas Wallace when he was of unsound mind, and incapable of transacting any business—Upon this point the case was warmly contested. The plaintiffs sought to invalidate the deed, on the ground that it was executed and delivered to defendants by Thomas Wallace when he was of unsound mind, and incapable of transacting any business—Upon this point the case was warmly contested. The plaintiffs sought to invalidate the deed, on the ground that it rejecting you? May be I am not the scurvy spale to invalidate the deed, on the ground that it rejecting you? May be I am not the scurvy spale to invalidate the deed, on the ground that it rejects you? Who the divil talked about reject me from your home? P.—Reject you? Who the divil talked about rejecting you? May be I am not the scurvy spale in the plant of the deed, on the groun dozen soft beds all empty? Now, by the Hill ed that shortly before the deed was made, o' Howth, John, that I won't. In the second Thomas Wallace, in a conversation with Rev. place you told me you were dying of hunger, Suthrie, said that he had dreamed that a beau- and wanted a bone and a crust to cat. Now,

| From the Chicago Tribune. smiths in the Army. The Smith family can have no complaints that they are not amply represented among the field whom the deed was made, had been raised in the family, had for many years waited upon the deceased, and had washed for him, performing all sorts of labor, both in his tan-yard and on his farm. It was also established that he had repeatedly declared that he intended Ruth to have the land, for the reason that she had work.

Colonels and field officers there is apparently apparently the state of the reason that she had work. no end. Illinois has Colonel Robert F. Smith, Sixteenth regiment, at St. Joseph, Missouri; Colonel Gustavus A. Smith, Thirty-fifth regimeat, in Fremont's army; Colonel John E.
Smith, of the Lead Mine regiment raising at
Galena. Ohio furnishes five Colonela Smith, viz: Benjamin F. Smith, of the First; William "Do you see this lock of hair?" said an old of the Forty-third; T. C. Smith, of the Fiftyfourth; and Orland Snith, of the Seventy-third

> suffice it the proportion is well maintained. There was at one time a proposition to raise a full regiment of Smiths, but the difficulty there would be in making an intelligible list of killed and wounded was an insuperable objection.

> ANTI-RHEUMATIC BAND Rheumatism, Gout and Neuralgia,

> > AND A SURE CURE FOR

All Mercurial Diseases. It is a conveniently arranged Band, containing a medicated compound, to be worn a round the Waist, without injury to the most delicate persons; no change in habits of living is required, and it entirely removes the disease from the system, without producing the injuripus effects arising from the use of powerful internal medicines, which weaken and destroy the constitution, and give temporary relief only. By this treatment, the medicinal properties contained in the Band come in contact with the blood and reach the disease, through the pores of the skin, effecting in every instance a perfect cure, and restoring the parts afflicted to a healthy condition. This Band is also a mostpowerful Abrit Mircoulat agent, and will entirely relieve the system from the persistons effects of Mercury. Moderate cases are cured in a few days, and we are constantly receiving testimonials of its efficacy in aggravated cases of long standing.

Price \$2,00, to be had of Druggistr generally, or can be sently mail or express, with full directions for use, to any part of the country direct from the Principal Office, It is a conveniently arranged Band, containing a med
